

UNIVERSITY OF RIJEKA

FACULTY OF HUMANITIES AND SOCIAL SCIENCES

STUDENT SERVICES

THE PROCEDURE FOR REISSUING OF AAI@UNIRI USER ACCOUNT

All students received their AAI@uniri student account data upon enrollment at the Faculty of Humanities and Social Sciences in Rijeka, and these accounts are valid as long as the student has student status.

Students should change the initial password (issued in a document upon registration), and this can be done by logging in at <https://login.aaiedu.hr/promjenazaporke/> (available in English).

Students can use their AAI@uniri account with a new, private password, for applications and systems such as Studomat (ISVU system), Merlin, MS Teams, or for various applications of the University of Rijeka, by logging in with their username AAI@uniri.hr (e.g. markovic@uniri.hr) and the new (changed) password.

In case of lost AAI@uniri account documents, students should fill out a [request](#) to have their user account reissued. A formal request and a scanned ID card should be sent from a private email address to podaci@ffri.uniri.hr with the following subject line: **Surname and first name - name of study** (in the case of dual-major studies, both studies should be listed).
